Accessing Swift Best Practices

Please use Chrome for best experience.
▪ Type in full URL, including https://
▪ Do not access from saved bookmark

Resetting Your Password

To reset your password, please call the help desk at +1 (877) 663–6548.

The Current Reporting App

1. These screens are from our Reporting App within the Customer Portal, which is separate from legacy ATLAS. This means, the Reporting App and Customer Portal is not going anywhere with sunset of ATLAS.
2. Swift is accessible via https://swift.magellanlp.com and is a completely different UI from the reporting app and customer portal.
